

## Landaviddy's Christmas Performance – The Fleece Force: An Arresting Nativity

Your child will be playing \_\_\_\_\_

In the play, every child will be asked to wear a plain, dark top and trousers underneath their costume. **Full costumes are not essential** as we will be making most of the props and costumes we have available in school, however if you have something at home that your child would like to use for their character, then that would be greatly appreciated. Please see below for suggestions.

### Props/Accessories

**Narrators** – Christmas/woolly hat and scarf

**Police Sheep (incl. Chief Fleecy, PC Woolly and PC Jumper)** – Police hat, vest, accessories

**Angels** – Wings and halo

**Innkeepers** – Apron and tea towel as a head covering

**Mary** – Blue headdress

**Joseph** – Tea towel as a head covering

**Three Kings** – Crowns, capes

**Shepherds** – Tea towel or scarf as a head covering,

Masks/headdresses will be made in school for all **sheep, camels** and the **donkey**.

**Sheep** – Plain, white jumper

Many thanks,
